LEARNING OBJECTIVES

MDS 2.0 Coding for OBRA and PPS *Describe the relationship between the purpose of the MDS and the types of questions that appear on the MDS. * State the intent of each MDS item. * Accurately code each item of the MDS. * Discuss the effects of inaccurate MDS coding.

Accurately Assessing Activities of Daily Living and the MDS 2.0 * Identify functional and structural changes in the body related to aging that contribute to decline. * Identify the components of overall functional assessment. * Accurately code section G, physical functioning and structural problems on the MDS. * Identify key elements of the care planning process for treatment and prevention of functional decline. * Describe how the quality indicators are used in the survey process to trigger further investigation of decline in residents. * Describe the survey process used to evaluate the provision of care related to activities of daily living and range of motion.

Resident Assessment Protocols (RAPs) and the MDS 2.0 *Identify the four parts of the Resident Assessment Protocol. * Identify the 18 RAP problem areas. * Discuss RAP documentation requirements. * Discuss date requirements for VB1, 2, 3 & 4. *Define resident assessment protocols.

Care Planning and the MDS 2.0 *Describe the relationship between the RAI process, the care plan, and quality resident care. *List 3 broad areas to be considered for care planning in addition to the RAI assessment information. * List the components of an effective care plan. * Discuss the role of critical thinking in the care planning process. * Identify the members of the Interdisciplinary Team and discuss their role in the care planning process. * List 4 occasions that trigger the need to reevaluate the care plan. * Define "interim care plan."

OBRA Timing and Scheduling for the MDS 2.0 *Identify background information for OBRA assessments. *Identify key timing and scheduling terms. * Identify at least two MDS timing resources. * Identify the primary (OBRA) reason for assessment. * Discuss timing requirements for OBRA assessments. * Describe when to perform a SCSA. * Define the Assessment Reference Date (ARD).

PPS Timing and Scheduling for the MDS 2.0 *State the timeframes for completing PPS MDS Assessments. * Describe the process for combining OBRA required and PPS Assessments. * State 3 considerations when setting the ARD for PPS Assessment. * Identify the impact on the assessment schedule and payment when a PPS resident is out of the facility for a therapeutic leave or a hospital stay.

Resource Utilization Groups III and the MDS 2.0 *Understand the development of the RUG-III Classification System used in Medicare and Medicaid case mix payment systems. * Review the 108 MDS items that are used to calculate a RUG III Classification Group. * Calculate the RUG-III Classification Level from Minimum Data Set (MDS) Assessments and case studies. * Apply Medicare skilled nursing facility requirements to a case mix payment system.

Billing and the MDS 2.0 for Clinicians *Understand the criteria necessary for the beneficiary to qualify for SNF benefits. * Understand when to issue a denial of benefits, language needed in denial letter, and the resident's right to a demand bill. * List the information to be obtained at admission and communicated to the billing office. * Describe the PPS program, how the RUGS group determines payment and the appropriate IPPS modifiers for billing purposes. * Identify the elements from the MDS that must be incorporated into the Medicare Part A billing claim. * Describe the documentation that the SNF must complete to be in compliance as a Medicare provider. * Understand what services the SNF must pay for under consolidated billing, and what is excluded.

Expanded Quality Indicators and Quality Measures *Understand the development of the Quality Indicators. *Understand the role of the Quality Indicators in the survey process and in the facility. * Validate the accuracy of the MDS items used to calculate the Quality Indicators. * Access the Quality Indicators Reports from the state repository and interpret the reports at the facility and individual resident level. Identify the objectives of the Nursing Home Quality Initiative. *State the differences between the publicly reported Quality Measures and the CHSRA Quality Indicators. *Describe the components of the calculation of each Quality Measure. * Describe facility processes necessary for achieving competitive Quality Measure scores.

WHAT YOU NEED TO KNOW . . .

About the Program

To be eligible for the AANAC Certification Program the individual must:

1. Be a clinician/professional involved in the RAI process.
2. Complete the 10-segment AANAC accredited certification program.
3. Pass each course with a score of 80% or better. Participants scoring less than 80% on course exams will receive contact hours for the workshop; however the course will not meet the requirements for inclusion in the AANAC National Database for the certification program, and thus not be included as one of the 10 required courses.

AANAC Membership

Membership in AANAC provides an instant network of peers in the MDS Process. Membership dues are only \$110 per year.

Registrants may become AANAC Members and immediately take advantage of the member rates. There are three easy ways to become an AANAC Member:

1. Call AANAC at 800-768-1880
2. Enroll on line at www.aanac.org
3. Check the AANAC Membership box on the class registration form and for a small fee, have KHCA obtain the membership for you.

Continuing Education Credit

Nurses - The Kansas Health Care Association is approved as a provider of continuing education by the Kansas State Board of Nursing. This offering is approved for 27.0 contact hours applicable for RN and LPN relicensure. (KSNB LT0030-0338)

Administrators - This course offering is approved for 27 continuing education clock hours for Kansas licensed adult care home administrators in the core area of administration by the Kansas Department of Health and Environment.

KDHE Health Occupations Credentialing Approved Sponsorship Number: LTS-A0001.

MDS Credentialing Program

Rebecca "Becky" LaBarge
AANAC Master Trainer

Rebecca LaBarge, R.N., RAC-CT, Director, Clinical Reimbursement has worked in the nursing field for more than 20 years. Her work has taken her from the acute care setting where she worked in various capacities earning her Trauma Nurse Specialist certification to Healthcare Informatics where she managed the implementation and training of healthcare software and finally to the long term care setting.

She began her long term care career in the CCRC community working as nursing supervisor in a 430 bed skilled facility and then moving into the MDS role. She has worked as MDS Nurse, Regional MDS Nurse, Corporate MDS Nurse, Corporate Director of Care Management and Clinical Reimbursement and as a Nurse Consultant.

Becky has spoken and presented educational programs on the RAI Process including MDS, PPS Case Management, Quality Indicators/Quality Measures, RUGS 53, Care Planning as well as Long Term Care Software Training. She is an active member of the Kansas City RAI Support Group, Illinois Health Care Association and is an AANAC Master Teacher.

Registration Policy

Registrations must be received by **August 13, 2008** at 5:00 p.m. Class is limited to 40 individuals - "First come first reserved." Registrations can be made by mail or fax. Phone registrations **will not** be accepted. AANAC rate will not be honored without AANAC number unless KHCA has been authorized to secure membership on your behalf. For registration questions, please call **785-267-6003**.

Cancellations/Substitutions Per Training Partner Agreement with AANAC

Cancellations received by **August 13, 2008** will receive an 80% refund on their registration. **AANAC Membership is non-refundable**. Cancellations after **August 13, 2008** or "No-Shows" will receive no refund. Special dispensation will be given with proof of survey during the training dates. For questions regarding registration, call the KHCA office at (785) 267-6003.

Substitutions are always welcome, however the substitute will need an AANAC membership to substitute at the AANAC member price. If the substitute is seeking continuing education credit, be prepared to provide proper licensing information at the time of registration.

Registrations and/or cancellations will not be accepted by phone. Please fax any changes to 785-267-0833.

Suggested Attire

Casual and comfy - remember to wear layers as it is difficult to regulate the temperature of meeting rooms. A light jacket is often appropriate.

Lodging Information

A block of rooms is reserved at the Holiday Inn Express Hotel and Suites of Lawrence, 3411 Iowa, Lawrence, KS 66046, site of the seminar.

The Holiday Inn Express is a great hotel with many amenities including an indoor pool, hot tub, exercise room, game room and great room commons area. The Holiday Inn Express is located on a 5-mile walking/biking/and skating trail that leads to Clinton Lake. The hotel is next to the best and newest shopping in Lawrence including delicious restaurants and a multiplex movie theater.

Room rates are only \$77 a night and include a deluxe morning breakfast bar. In order to receive this special rate you must reserve your room by **calling 785-749-7555**. Be sure to identify yourself as being with the Kansas Health Care Association (KHCA) when making your reservation. A charge of one night stay will be made for a *no show*. Guests must call 72 hours prior to reservation to cancel in order to avoid the charge.
